

Finance Activity 1

Financing Your Learning

Type	Providers	Eligibility
Loan	Government Apply online for student finance https://www.gov.uk/apply-online-for-student-finance	All
Grants Bursaries Sponsorship Scholarships	Universities and Colleges Charities, Councils, Businesses, Government, NHS, Teaching Organisations, Armed Forces Student bursaries, scholarships, and financial support UCAS www.ucas.com/advisers/guides-teachers/help-your-students-get-uni/student-bursaries-scholarships-and-financial-support	Lots of different types. Universities and colleges have their own grants and bursaries that you might be eligible for. Some are linked to household income whilst others to sporting/musical abilities. Some are automatic but others need to be applied for. Research required to check if it's for you. It may be related to job role, household income, company, grades, subject, or geography.
Earning	Employer Save the Student - Student Money, Discounts and Jobs www.savethestudent.org Higher and degree apprenticeships www.gov.uk/government/publications/higher-and-degree-apprenticeships	All
Savings	You/Family	All

The most important thing I've learnt about funding my learning:

An action point because of this learning - I am going to find out more about:
